Texas Legal Answers

Texas Legal Answers is a free, statewide online legal advice clinic for low-income Texans. The online platform allows users to post their civil legal questions, and **we need volunteer attorneys** to sign up to answer them. The average volunteer spends 15-20 minutes responding to a question. You can answer as many or as few questions as you want anytime, and anywhere you have internet access.

Visit **TexasLegalAnswers.org** and click on "Volunteer Attorney Registration" to sign up TODAY!
