

Rob Rhyne, Principal / Attorney at Rob Rhyne Law, PLLC

Rob is a U.S.M.C. veteran and a second career attorney who spent the first 25 years of his career working in Information Technology, specifically focused on Cyber Security, Privacy, and Risk Management.

As a former Chief Information Officer (CIO), Chief Information Security Officer (CISO), and Chief Risk and Information Security Officer (CRISO), Rob's experience in various industries position him to provide guidance to businesses on operational, technical, risk management, and legal issues. With experience in business operations, technology, risk management, information governance, contracts, and negotiations, Rob is well equipped to advise businesses of any size on matters they may face from formation to dissolution, and anything in between.

After raising 3 children and obtaining his Juris Doctorate from Indiana University's Robert McKinney School of Law, where he also obtained his Corporate and Commercial Law Certificate, Rob and his wife of 30 years moved to East Texas where Rob formed Rob Rhyne Law, PLLC.

As an attorney, Rob has focused his practice on being able to provide quality legal services in Van Zandt and the surrounding counties. Rob's practice includes Business Law, Civil Litigation, Family Law, Estate Planning, and Property Law related issues.

Rob has held over 15 certifications in the Data Security and Privacy arena, including the highly regarded Certified Information System Security Professional (CISSP).
